Connect Exposition Asia

09:45 AM – 10:30 AM

Vietnam's Warehousing Landscape: Opportunities in a Growing Market

An over view of Vietnam's warehousing and logistics infrastructure development, investment opportunities, and the role of automation in driving growth.

10:30 AM – 11:00 AM

Presentation: Honeywell Industrial Automation

11:00 AM – 12:00 AM

The Future of Warehouse Automation in Southeast Asia

Highlighting trends in automation technologies and robotics for warehouses and their practical implications for the Vietnam market.

12:00 AM – 01:00 PM

Lunch Break

01:00 PM – 02:00 PM

The Role of Robotics and AGVs in Transforming Warehouse

How robotics and Automated Guided Vehicles (AGVs) are reshaping warehousing tasks such as picking, sorting, and storage.

02:00 PM – 02:30 PM

Keynote Session:

Efficient Material Flow with Integrated Conveyor Systems

02:30 PM – 03:00 PM

Keynote Session:

Energy-Efficient Storage Solutions: Innovations and Case Studies

03:00 PM – 04:00 PM

Perfecting Last-Mile Delivery in ASEAN Markets

The panel will explore infrastructure challenges, local courier integration, and strategies to enhance the doorstep delivery experience in ASEAN markets.

04:00 PM – 05:00 PM

Networking Session & Exhibition Tour

09:30 AM – 10:15 AM

The Future of Cold Chain in Vietnam and Asia

Insights into emerging trends, market opportunities, and challenges in the cold chain sector in Vietnam and the broader Asian market.

10:15 AM – 11:00 AM

How to Take the First Step Into Warehouse Automation

Presentation by SSI Schaefer

11:00 AM – 12:00 PM

Reefer Transport and IoT: Redefining Old Logistics

Discussion on Innovations in reefer transport for pharmaceuticals, seafood, and perishables, Role of IoT and real-time tracking in enhancing efficiency and reliability in cold logistics.

Panellist: Mr. Ngo Minh Hieu, Associate Director Logistics & Distribution, AstraZeneca

12:00 PM – 01:00 PM

Lunch Break

01:00 PM – 02:00 PM

Cold Chain Solutions for Vietnam's Growing Seafood Export Market

Learn from real-world implementation of cold chain solutions tailored to the seafood industry, focusing on quality preservation and export readiness.

02:00 PM – 02:20 PM

Keynote Session:

Packaging Innovations for Cold Chain Products

Topic will cover Eco-friendly packaging for cold chain logistics, Advanced packaging technologies to maintain product integrity and Cost-effective solutions for perishable goods

02:20 PM – 02:40 PM

Keynote Session:

AI and Automation in Cold Chain Operations

Exploring how artificial intelligence and automation are transforming cold storage and logistics for better efficiency and scalability

02:40 PM – 03:40 PM

Innovating Cold Storage: Enhancing Efficiency and Sustainability

Will discuss advancements in cold storage infrastructure, energy-efficient refrigeration technologies, and strategies to achieve sustainability goals in cold chain operations.

03:40 PM – 05:00 PM

Networking Session & Exhibition Tour

9:45 AM – 10:45 AM

Optimizing Supply Chain Operations for Seamless Fulfillment

The panel will discuss advanced technologies, efficient inventory management, and strategies to meet tight SLAs for seamless fulfillment in supply chain operations.

10:45 AM – 11:00 PM

Keynote Session:

Unlocking Global Markets – Scaling Vietnamese Businesses Through Cross-Border E-Commerce

Mr. Tran Xuan Thuy, Head of Amazon Global Selling HCMC, Amazon

11:00 AM – 12:00 AM

The Future of Retail in ASEAN: Omnichannel Strategies for Growth

Experts will discuss the evolving retail landscape, focusing on integrating online and offline channels, personalizing customer experiences, and leveraging data analytics for business growth.

Panelist:

Ms. Nguyen Thi Xuan Thao, Head of Product Innovation & Development, IPP Group

Mr. Tran Dinh Hung, Retail Business Planner, Au Chau Fashion and Cosmetic Co., Ltd

Ms. Hung Le Minh, Head of International Business cum Head of Modern trade & E-Commerce, Tân Hiệp Phát Group

12:00 PM – 01:00 PM

Lunch Break

01:00 PM – 02:00 PM

The Future of ASEAN Cargo and Logistics

Trends, opportunities, and challenges in cargo transportation and logistics across the ASEAN region.

Moderator:

Mr. RS Baskkaran, Independent Consultant

Panelist:

Ms. Rebecca Như Trần, Sales Director for India and the US Trade, Smart Link Logistics

Ms. Ly Thu Yen (Conny Lee), Deputy General Manager, YQN Link International Logistics Company Limited

02:00 PM – 03:00 PM

Integrating Multimodal Transport for Efficient Cargo Movement

Will discuss optimizing transitions between air, ocean, and road transport, improving ground handling, and overcoming regulatory challenges for efficient cargo movement.

03:00 PM – 05:00 PM

Networking Session & Exhibition Tour
